Claude Foundation Exam Prep

Study notes and practice material for the Claude Foundation exam.

About

This repository collects Markdown notes covering the topics needed to prepare for the Claude Foundation exam. For now it contains documentation only, with no code.

Structure

```
claude-foundation-exam-prep/
`-- README.md
```

More topic notes will be added as Markdown files.

How to Use

1. Clone the repo:
   ```
   gh repo clone kamranshez/claude-foundation-exam-prep
   ```
2. Read the notes in any Markdown viewer, editor, or directly on GitHub.

Progress

[ ] Add topic notes
[ ] Add practice questions
